SUGGESTED BRUSHES: 4, 6, 12 shader, Liner, old toothbrush large glaze brush

Featured in Painting Magazine, August 2009 issue.

Please prep your board with Delta Americana Antique Gold acrylic. It will probably take two coats, sanding after each, for good coverage. The instructions say to fly speck with Tomato Red. If you are unsure of how to do that, wait - it can be done later. You don't want large drops and Karen will explain.

Bring your usual acrylic supplies.
